
2020 LINE CARD

INDUCTORS INC

KNOWLEDGE EXPERIENCE RELIABILITY

Offering a proprietary inductors alternative referencing technology that can cross reference 300,000 different inductor parts numbers.

A fully trained sales force and engineering department means we've got you covered no matter what your project needs are!

www.inductor.com

ITAR REGISTERED
ISO 9001:2015 CERTIFIED
ERAI MEMBER

WE ARE

The premier franchised distributor of inductive components specializing in Power and RF products.

We also offer a variety of standard and custom products including DC/DC converters, capacitors, antennas, coils, chokes, resistors, toroids and transformers.

Founded in 1991. Our company is a Woman-Owned Small Business and the largest stocking, franchised distributor of inductive components in the world today.
